

**Secretary of Navy Lost in Plane Crash**

HENDERSONVILLE, N.C. (AP) — The newly named secretary of the Navy, business executive, their wives and at least 10 children were among 82 persons killed in the flaming collision of a big jet airliner and a small private plane.

A spokesman for the Federal Aviation Administration said the small twin-engine private plane "was about 12 miles south of where it should have been," in the crash Wednesday over western North Carolina mountains.

Wreckage and bodies showered down over a wide stretch of the resort area near the city of Hendersonville in the Blue Ridge foothills.

The main part of the airliner missed a crowded youth camp by only 50 yards.

No one on either plane survived.

There apparently was no warning before the crash, witnesses said.

The smaller craft swept out of the mountain haze and ripped a huge gash in the airliner's side. The smaller plane blew up, some of it welded to the fuselage of the bigger craft.

The collision occurred at 12:01 p.m., just three minutes after the Piedmont Airlines 727, carrying 74 passengers and a crew of five, took off from the Asheville airport en route from Atlanta to Washington.

The smaller plane, a Cessna 310 heading for Asheville, carried two Missouri businessmen and its pilot.

John T. McNaughton, 46, who was scheduled to become secretary of the Navy in about two weeks; his wife, Sarah, and their 11-year-old son, Theodore, were aboard the airliner. Theodore had been attending a summer camp, and his parents had come to take him back to Washington.

The passengers included about 30 food brokers from across the country. They had gathered in Atlanta and Asheville for the flight to White Sulphur Springs, W.Va., for a convention of the Stokely Van Camp Co.

Hours after the crash, a team of investigators from the National Transportation Safety Board, headed by ex-Gov. John H. Reed of Maine, recovered the airliner's flight and voice recorders. He said both instruments appeared to be intact. They were sent to Washington for study.

Harold Roberts, FFA tower chief at the Asheville airport, said the small plane, piloted by Dave Addison, about 40, of Lebanon, Mo., was on an instrument flight plan. But he added the plane was about 12 miles south of where it should have been.

Witnesses said the airliner pilot, Capt. R.F. Schulte of Norfolk, Va., father of four girls, apparently attempted to avoid the collision, then fought to control the huge craft after the impact.

Losing power quickly, he seemed to be trying to make it to nearby Interstate Route 26, a four-lane artery where an emergency landing might have been possible.

But the airliner came apart. One witness said there were two big sections "and a thousand little pieces" as plane parts, bodies and luggage plummeted to earth, about two miles from Hendersonville, about 20 miles from Asheville.

The little plane just gave a jerk upward just before they hit," said Clarence Hyder, 35, a Hendersonville sign painter. "The airliner flew on a bit, turning toward the interstate, but then it turned over on its back and came apart," Hyder said he heard two explosions.

Among the young people aboard the plane was Cindy Green of Granville, Ohio, who could have looked forward to a year as president of the student body of St. Timothy School in Baltimore this fall.

The jet's pilot and the flight engineer, Capt. R.F. Schulte and L.C. Wilson, had just been transferred from Norfolk, Va. They were in the process of moving belongings and families to Winston-Salem, their new base. Capt. Schulte and his wife have four girls. The Wilsons were childless.

T.C. Conrad, the first officer, lived in Winston-Salem. The hostesses, were Miss Sandra Cox of High Point and Miss Debbie Davis of Yadkinville.

For Betsy Cooper, it was a day of "chills from head to toe." An attractive ticket clerk for Piedmont from Atlanta, she had planned to be aboard the Piedmont jet with her two children.

She decided to work instead, to help break in two new employees of Piedmont at Atlanta.

The annual Whitten family reunion will be held Saturday and Sunday, July 22-23, at the American Legion Hall in Prescott. The event normally attracts several hundred persons from the Arkansas-Louisiana-Texas area.

Gregory of El Dorado and Mrs. Newburn Whitten of Hope, recording secretaries; Ellis Whitten of El Dorado, corresponding secretary; and Johnny Hunter of Texarkana, treasurer.

**'Black Power' Revolution Is Predicted**

By DON MCKEE

NEWARK, N.J. (AP) — A Negro leader predicts that a revolutionary movement to develop economic, political and cultural resources for Negroes will grow out of a national black power conference opening today in this riot-scarred city.

"We are going to set forth the need for developing programs that do not bring 'relief' to people — but do bring power," said Dr. Nathan W. Wright Jr., conference chairman and director of urban work for the Episcopal diocese of Newark.

"This is going to cause a great deal of debate and stir in many, many circles," he said in an interview. The black power slogan sent the civil rights movement into divisive debate over its meaning and effect when it was seized as a rallying cry on the 1966 Mississippi civil rights march.

Wright, articulating his view, said Negroes must first "set their own house in order." The roots of their problems, he said, "are to be found in the attitudes and lack of hope within the Negro community."

The four-day conference will explore the means by which Negroes themselves can improve conditions — through the ballot, jobs, churches, the home and every aspect of society, including the role of Negro artists, writers and scholars.

Questions and proposals will be discussed in closed sessions at 14 workshops by delegates representing a wide range of views among Negroes. Educators, political figures, labor leaders, antipoverty workers, students and clergymen will take part.

Two sessions, on Friday and Sunday, will be open to the public. The Friday speakers will include comedian Dick Gregory, Floyd B. McKissick, national director of the Congress of Racial Equality and Lerone Bennett, author and senior editor of Ebony magazine.

Black power's best-known spokesman, Stokely Carmichael, apparently will not attend.

**Taylor to Meet Allies on Vietnam**

WASHINGTON (AP) — Gen. Maxwell D. Taylor will head a special mission to allied nations providing troops in Vietnam, diplomatic sources say.

The sources said Wednesday the mission would leave by the end of this week.

Taylor, twice U.S. ambassador to South Vietnam, reportedly will brief the allies on Defense Secretary Robert S. McNamara's findings on his recent visit to the Southeast Asian battleground.

McNamara has urged an unspecified increase in U.S. fighting forces in Vietnam. The sources said they didn't know whether Taylor would urge the allies to hike their troop commitments.

Joining Taylor on the mission, they said, would be officials of the White House and State and Defense Departments. The itinerary reportedly would include South Korea, the Philippines, Thailand, Australia and New Zealand.

In another war-related development, a Navy admiral told newsmen North Vietnam has beefed up its coastal artillery in the wake of stepped up operations by U.S. ships.

Rear Adm. Mark W. Woods Jr., who launched the bombardment of North Vietnam's shores earlier this year, said enemy gunfire has damaged 16 American ships, killing 2 crewmen and wounding 16 others.

**UN Ends Session on Middle East**

By WILLIAM N. OATES

UNITED NATIONS, N.Y. (AP) — The U.N. General Assembly prepared today to end its emergency session with a resolution sending the unresolved problem of peace in the Middle East back to the Security Council.

The cease-fire lines around the Arab territories conquered by Israel were quiet Wednesday. But statements and reports from all sides underlined the lack of progress toward a permanent settlement and the lack of prospects that the council can resolve the issues between Israel and the Arabs.

Israel's ambassador to the U.N., Gideon Rafael, wrote the presidents of the council and the assembly that his country could not be expected to withdraw from the occupied territories "without any simultaneous and parallel action by the Arab states to establish a situation of peace with Israel."

Gen. Moshe Dayan, Israel's defense minister, said in Tel Aviv that Israel has the forces "to hold to Arab territory occupied by her for quite a long time."

Informants in Cairo said the presidents of Egypt, Algeria, Iraq and Syria at their marathon talks in the Egyptian capital which ended Wednesday remained determined to carry on the struggle against Israel until all occupied Arab territory is regained.

The Cairo newspaper Al-Ahram, Egyptian President Gamal Abdel Nasser's usual mouthpiece, said Egypt would not reopen the Suez Canal until the consequences of "Israeli aggression" are removed.

The General Assembly's month-old emergency session was being forced to send the Middle East issues back to the Security Council by failure to get a compromise between the Soviet-Arab demands for an unconditional Israeli withdrawal with Israeli and American demands that the withdrawal be matched by Arab recognition of Israel's right to exist and abandonment of the state of war the Arabs have maintained against Israel since the 1948 Palestine war.

**Raid Fascist Paper in W. Germany**

MUNICH, Germany (AP) — West German police raided a right-wing newspaper Wednesday on the eve of the 23rd anniversary of the July 20 plot against Hitler. They confiscated front pages bearing photographs of Hitler and Israeli Maj. Gen. Moshe Dayan.

Dist. Atty. Wilhelm Lossos said he ordered confiscation of pages of the Deutsche National und Soldatenzeitung (German National and Soldiers newspaper) because the Hitler picture violated a law prohibiting the display of emblems of unconstitutional organizations with the intention of propagating such organizations.

The latest edition, of the weekly newspaper, which claims a circulation of about 100,000 bore the headline: "Israel's Auschwitz in the Desert — the Mass Murder of the Arabs-Dayan in Hitler's Footsteps."

The lead article claimed Israel had erected concentration camps in territories occupied after the June 5-10 war on the model of Auschwitz, the World War II extermination camp in Nazi-occupied Poland.

Lossos said the state government was investigating whether to bring charges.

**Explorer in Orbit Around the Moon**

CAPE KENNEDY, Fla. (AP) — With its experiments beeping strong signals to earth, America's lunar Explorer spacecraft today sped on course toward an orbit around the moon to study radiation dangers in advance of manned lunar landings.

"Everything is looking very good," said National Aeronautics and Space Administration officials as the windmill-shaped payload, officially named Explorer 35, approached the one-third mark in its 225,608-mile journey to the moon.

The \$4-million craft, launched Wednesday from Cape Kennedy, is to trigger a retro-rocket about 5:30 a.m. Saturday and swing into lunar orbit. There, spacecraft sensors are to send back information about radiation, magnetic fields and cosmic dust. No camera is aboard.

**Rape Suspect to Be Returned**

MEMPHIS (AP) — The FBI said Wednesday that Leonard Jasper Young, 22, who has been living here about two months, has been arrested and would be turned over to Arkansas authorities shortly.

Young is charged with unlawful flight from Arkansas to avoid prosecution on a rape charge. Authorities said Young is charged with the rape of a young girl near Searcy, Ark.

**Suspect to Fight Return to Arkansas**

DOTHAN, Ala. (AP) — Ronald E. Smith, 33, of Marietta, Ga., said Wednesday that he is being "illegally restrained of his liberty and being illegally imprisoned by the sheriff of Houston County."

Smith was paroled Monday from Alabama's Kilby Prison and immediately arrested by Houston County officials. David R. Monroe, deputy prosecuting attorney at Little Rock, has notified Alabama authorities that Arkansas authorities want to prosecute Smith for a 1962 department store burglary case.

**Constitution Call Should Be Referred**

LITTLE ROCK (AP) — Voters in Arkansas should be allowed to decide in the 1968 general election whether or not a constitutional convention should be called, a subcommittee of the state Constitutional Revision Study Commission recommended Wednesday.

Delegates to the convention would be elected during the general election of the subcommittee's timetable is followed. The timetable also suggests the convention begin May 1, 1969 and that a new constitution be submitted to the people in November, 1969.

The subcommittee's report will be considered by the full Commission in September. The subcommittee, headed by Henry Woods, a Little Rock lawyer, has previously called for a constitutional convention.

If the Commission follows through on the subcommittee's recommendations, 100 delegates would be elected to the convention on the same basis as members of the House of Representatives are elected. The report also provides for an additional five delegates, two of whom would be selected by the governor elected next year. The report recommends that the speaker of the House, the president pro tempore of the state Senate and the chief justice of the Arkansas Supreme Court select one delegate each.

**Senate Fears Executive Power Grab**

WASHINGTON (AP) — Sen. J. W. Fulbright, D-Ark., said Wednesday he senses a "growing uneasiness over the extent of executive power" in international affairs by members of Congress.

He said there is a growing willingness to "raise questions that a year or so ago would have gone unasked, to challenge decisions that would have gone unchallenged, and to try to distinguish between real emergencies and situations which, for reasons of executive convenience, are only said to be emergencies."

Fulbright, who heads the Senate Foreign Relations Committee, also challenged the use by the executive of joint resolutions and briefing sessions.

"Both are designed to win consent without advice," Fulbright said.

**BRITISH EXIT**  
(from page one)

— but only so long as the missile-laden Chinese found it convenient — until China decided it was time to move in, either directly or indirectly with local Communist forces.

Would the United States then be willing to risk an atomic war with China for South Vietnam? Or by then through fear and fatigue would South Vietnam be far more ready to accept Communist domination?

If this happens, then all of this country's sacrifices for Vietnam in these days will have been for nothing.

Or suppose a nuclear China began pressuring the other neighbors around its vast perimeter. Would their present resistance to communism, strong today when the United States and not Red China is the nuclear power, then melt?

It seems obvious that as China grows in nuclear strength the various local Communist parties within China's neighbors will feel strengthened and become more active.

The best hope for this country is that a more reasonable group will take over Red China's leadership when the fanatics of Mao's generation die off. At best this is only a hope, and maybe not a sound one.

What lies ahead looks like a nightmare.

Senate.

The bill would fix maximum penalties of five years in jail and a \$10,000 fine for anyone convicted of using interstate facilities to incite, organize, encourage or carry on a riot.

Its author, Rep. William M. Cramer, R-Fla., said it should jail such "hate-mongers" as black power advocate Stokely Carmichael, Robert Shelton of the Ku Klux Klan and George Lincoln Rockwell, the American Nazi leader.

Dissidents led by Rep. Emanuel Celler, D-N.Y., said the bill at best was an ineffective gesture and at worst could be an unconstitutional infringement on free speech and assembly.

But with the recent examples of Newark and Plainfield, N.J., and other riot-torn cities fresh in its mind, the House rejected such arguments.

Send your teenage questions to YOUTH ASKED FOR IT, care of Helen Help Us! this newspaper.

### ETIQUETTE AND STUFF

Dear Helen: Is it all right, when being introduced to another girl or a guy, to offer a handshake—not a real handpump—er, but just a simple shake?

**TEEN-AGE GIRL**

Dear Teen: You may if you wish but girls usually don't. Seems a bit too formal—unless, of course, you want an excuse to hold hands.

—H.

Dear Helen: I wish you'd remind boys that when they're walking with a girl they should walk on the curb side. This seems to be their one big downfall in etiquette.

How did this custom start anyway?—GIRL

Dear Girl: Consider them reminded.

The "males on the outside" custom no doubt originated in the days of horse and buggy when men protected their ladies from splashing mud and road dust. Maybe it continues because the gals enjoy looking at store windows.—H.

Do you think it's wrong to shave the legs? My mother says "pride" goeth before destruction and a haughty spirit before a fall." I say a neat leg looks clean and "cleanliness is next to Godliness."

Is it vain to shave your legs?—CLEAN AND GODLY

Dear C and G: No more vain than for your mother to wear

lipstick and get her hair set. If legs are hairy, I say, "Shave 'em!" But each time I say it, dozens of irate parents write, "Shut up and mind your own business!" So, naturally, I don't.

—H.

Dear Helen: I am not very sharp with the girls, but would like to be. If a cute girl who sits in front of you at summer school drops her pencil near your feet three times, what does it mean?

—DEAN

Dear Dean: ... She's either uncoordinated or interested. Figure it's the latter and instigate a conversation.—H.

Dear Helen: Would you please tell me if it's true you can remove a homemade tattoo (pricked into the skin with a pin and India ink,) by using same procedure, only with buttermilk? The tattoo is about six months old.

**TIED OF IT**

Dear TOI: You chanced a bad infection six months ago. Don't push your luck! Ask a doctor about undoing your tattoo.—H.

Dear Helen: At a party, somebody heard my birthday would be in three weeks, so, as a gag, they took up a collection and gave me about seven dollars. I tried to give it back, but they wouldn't hear of it. Our gang is always doing things like this.

As it happened my mother threw a surprise birthday party for me yesterday—and the same kids came. They all brought presents. I feel terrible about accepting gifts twice. What should I do?—EMBARRASSED

Dear Emb: I doubt your friends are worried, but if it will make you feel better, how about treating the gang to hamburgers, or whatever seven bucks will buy?—H.

Protests Revoking of River Permit

**LITTLE ROCK (AP)**—James L. Martin of Morrilton said Tuesday in a petition filed in Pulaski Circuit Court that state Revenue Commissioner B. Bryan Larey misstated some of the facts when he had his permit to remove sand and gravel from the Arkansas River revoked.

Martin said he was issued a permit Jan. 5, 1967 by former Revenue Commissioner Doris McCastlain which entitled him to remove sand and gravel from a stretch of the river in Pope, Conway and Perry counties.

Martin said his permit was revoked June 1 by Larey without prior notice.

Martin asked the court to review the revocation.

## Conigliaro's Bat Booms Red Sox

By MIKE RECHT  
Associated Press Sports Writer  
Tony Conigliaro is back in uniform—a baseball uniform—and has the Boston Red Sox marching steadily toward the front of the line in the American League.

The right-handed slugger, counting cadence with his bat, has been drilling baseballs off walls and over them since returning from two-week Army Reserve summer camp June 3. The surprising Red Sox took another step Tuesday night as Conigliaro slammed two triples and a double, powering Boston to a 6-4 victory over Baltimore and moving the Sox 1½ games from league-leading Chicago.

The White Sox made it possible by losing to California 5-2, their third straight defeat.

Boston also pulled within a half-game of second-place Minnesota, which fell again to Kansas City, 9-6.

In other American League games, Washington beat Detroit 4-2 and Cleveland halted the New York Yankees 5-2.

In the National League, St. Louis overcame Cincinnati 3-2 in 12 innings, Pittsburgh nipped San Francisco 2-1 in 11 innings, Los Angeles outlasted Philadelphia 3-1 in 11 innings, the Chicago Cubs topped Atlanta 7-2, and the New York Mets swept a doubleheader from Houston 8-4 and 7-2.

The Red Sox have been standing far back in line watching most everybody go by since 1958, the last time they finished in first division. They were picked for the fall end again this year, but stunned everyone by keeping in step with the leaders all the way.

Tuesday night they won their sixth straight game. After Mike Andrews cracked a three-run homer to get things started in the fifth inning, Conigliaro tripled home the two decisive runs after an earlier double.

He added an insurance run in the eighth with another triple, scoring on a passed ball.

The light-hitting White Sox, needing a bat like Conigliaro's, stumbled this time over Jack Hamilton and Minnie Rojas, who combined to pull the Angels only 2½ games back with their 10th victory in 42 games.

Hamilton hurled into the seventh inning and led 5-2 as Tom Matiano knocked out Joel Horne, 11-3, with a two-run double in a three-run fourth inning, and Bobby Knoop and Jimmie Hall followed later with solo homers off Bruce Howard. Rojas came on to save his 14th game.

Minnesota missed a third straight chance to gain a tie for first place when the Athletics broke loose for five runs in the eighth inning, highlighted by Reggie Chavarria's tie-breaking two-run single.

The Twins had gone ahead in the seventh when Cesar Tovar doubled in two runs and Tony Oliva singled in another, and Bob Allison's solo homer in the eighth made it 6-4.

Paul Casanova broke a ninth-inning tie at Detroit when he singled in his second run of the game for Washington's ninth victory in 10 outings. Another man scored on the play on a throwing error.

The loss left Detroit 3½

games back in the ever-tightening race.

Tony Horton supplied the clincher for Cleveland, tripling home the tie-breaking run in the eighth inning and then scoring when Yankee third baseman Roy White failed to cover the base on the throw from the outfield. Rookie Vern Fuller, just up from Portland, followed with a home run as the Indians ended a five-game losing streak.

## Stonebreaker Is Signed by Saints

SAN DIEGO, Calif. (AP) — The signing of veteran Steve Stonebreaker Wednesday has bolstered the New Orleans Saints' linebacking corps.

Stonebreaker worked out with the Saints at California Western University, signing his 1967 contract after a mid-afternoon meeting with club president John Mecom Jr. Terms of the pact were not revealed.

## English Pro Is Used to Trick Name

By WILL GRIMSLEY  
DENVER, Colo. (AP) — The young pro from Rye, N.Y., walked up to register for a locker at the PGA Golf Championship.

"What's the name?" the custodian asked.

"Shankland," the pro replied, almost inaudibly.

"What's that? Shank... Shank, what? Louder please," the custodian said.

"Shankland — Craig Shankland," the pro repeated louder, flushing.

"I run into this all the time," Shankland said later. "It got to be a little embarrassing, but I'm used to it now."

"Yesterday I was out on the course and I heard a spectator, who saw my bag, blurt out, 'Shankland — my goodness, what a name for a golf pro.' Somebody else said, 'It looks like a guy with a name in a profession like that would spend a buck and a half to change it.'"

It's a revered name in England where Craig's father, Bill Shankland, was a former Ryder Cup player and high finisher in past British Opens.

"They call him Britain's hard luck golfer," the son explained. The father is now pro at the Potter's Bar Golf Club in London, one of the swankiest.

Craig says he and his dad both came in for some good-natured kidding also in England where the word "shank" is one of the dirtiest words in the game.

"Sure, we call it a shank there, too," Craig Shankland said. "But we have another pet name for it, we call it a Davey Crockett — that's hitting it off the socket."

A shank is a mishit ball that veers off to the right. "Funny thing, I've never shanked a ball in my life as far as I know," young Shankland said. "But people with shanks come to me to get them fixed. At my club, they call me 'Shank-ko.'"

Shankland, a dark-eyed, handsome young man of 27, studied mathematics, English and history at Cambridge University for two years but golf became an obsession with him and he quit college to turn pro.

He came to America in 1961 as pro at the Potawatomi Club in St. Charles, Ill. Two years ago, he was named head pro at the Rye Country Club in Rye, N.Y.

THE STRAIN of professional football is mirrored in the faces of these players. From left, Carl McAdams, New York Jets; Tom Keating, Oakland Raiders; Ralph Neely,

Buddy Dial and Tony Lisco, all of the Dallas Cowboys; and Mike Hudock of the Kansas City Chiefs.

## Walked-in Run Wins for Cards

By ED SCHUYLER Jr.  
Associated Press Sports Writer  
Cincinnati's Gary Nolan got the nod, but St. Louis walked off with the ball game.

Asked about Nolan's pitching, St. Louis Manager Red Schoendienst just nodded his head.

There wasn't much he could say about the rookie right-hander's performance. Tuesday night — he gave up just four hits and struck out 12 in seven innings as the Reds built up a 2-0 lead.

But then his arm tightened up and he left in the eighth with Dal Maxvill on with a double and none out. St. Louis went on to tie it in the inning and win it 3-2 in the 12th when Gerry Arrigo walked in a run.

Elsewhere in the National League, Chicago stayed one game back of first-place St. Louis by beating Atlanta 7-2, Pittsburgh edged San Francisco 2-1 in 11 innings, Los Angeles shaded Philadelphia 3-1 in 11 and the New York Mets swept Houston 8-4 and 7-2.

In the American League, Cleveland beat New York 5-2, Washington topped Detroit 4-2, Boston downed Baltimore 6-4, Kansas City outslugged Minnesota 9-6 and California whipped the Chicago White Sox 5-2.

After Maxvill's double, pinch hitter Alex Johnson greeted reliever Ted Abernathy with a double to drive in a run. Then after two were out Roger Maris singled home Johnson.

Arrigo gave up a leadoff single to Mike Shannon in the 12th and walked Julian Javier. He retired the next two men, but then walked Lou Brock and Bob Toian to force in the winning run.

Don Pavletich doubled in the Reds' runs in the third. Cubs' pitcher Joe Niekro drove in three runs with a double and sacrifice fly as the Cubs won their fifth straight.

Pittsburgh's victory, brought about by Gene Alley's bases-loaded single, snapped Mike McCormick's winning streak at eight games.

Jerry May led off the 11th with a triple and then McCormick intentionally walked the next two batters before being relieved by Frank Linzy.

Alley hit Linzy's first pitch off second baseman Tito Fuentes to give the victory to Dennis Ribant, who went the distance.

Los Angeles got its victory when Philadelphia starter Chris Short walked Jeff Torborg with the bases loaded and reliever Dick Farrell followed with another bases-loaded pass to Ron Fairly.

Ron Swoboda sparked a five-run fifth inning with a two-run homer in the Mets' first-game victory. Tommy Davis led the way in the second with a grand slam in the first inning.

## Rick Monday Helps Chiefs to 3 in Row

By JIM VAN VALKENBURG  
KANSAS CITY (AP) — Rick Monday, Kansas City's high-priced bonus outfielder, is healthy and hitting line drives again after a month-long struggle with a virus, a weight problem and a nightmarish batting slump.

The big weapons for the 21-year-old rookie were vitamins, a lighter bat, faith in himself and Manager Alvin Dark's confidence in him.

The A's have won three in a row and Monday has driven in six and scored four with a home run, two doubles and a single in the streak.

Prior to the last three games, Monday batted only .163 and drove in only nine runs in 22 games since June 20. The A's lost 17 of those 22 and fell into the cellar.

"It's a battle day in and day out here," Monday said after his two doubles helped Kansas City beat Minnesota 9-6 Wednesday night.

About three weeks ago, Monday was down to 182 pounds, compared to his normal playing weight of 195. He didn't look strong at the plate. A persistent virus cut his weight.

"I had to take a lot of vitamins and supplements to get back my strength," he said. "I'm still only 187 now but I feel stronger."

Monday managed only one hit in three games at Minnesota last week. At this point, he switched to Danny Cater's bat in a doubleheader Sunday at Chicago, and broke loose with a single, home run and three RBI.

"Danny's bat is a half-inch shorter and one ounce lighter," Monday said.

## Blum Put Out for Season

INGLEWOOD, Calif. (AP) — Walter Blum, one of the nation's leading jockeys, was suspended Wednesday for the remainder of the Hollywood Park meeting and 30 additional days.

The ruling of the track's board of stewards said Blum had "associated with undesirable persons" and made false statements when accused of associating with "known touts and convicted felons."

Blum, 32, of Cherry Hill, N.J., will be inactive through Aug. 22.

Mets, cracked three singles, a double and a grand slam homer, driving in four runs and scoring twice as New York swept a doubleheader from Houston 8-4 and 7-2.

PITCHING — Dennis Ribant, Pirates, scattered nine hits as he went the distance in Pittsburgh's 2-1 victory over San Francisco in 11 innings.

## Clemente, Murtaugh End Feud

By IRA MILLER  
PITTSBURGH (AP) — Roberto Clemente says he's willing to forget if Danny Murtaugh is willing to forgive.

The brilliant right-felder of the Pittsburgh Pirates wants to keep his past feud with Manager Murtaugh just that — in the past.

It has never been much of a secret that there was no great love between them during the 7½ years Murtaugh managed the Pirates through 1964.

And when he was named manager again on Tuesday — and Clemente proceeded to sit out his first three games — speculation ran high that old wounds had been re-opened.

But, says Clemente, it isn't so. He says he's anxious for an injured left knee to heal so he can get back in the line-up. It is, he said, pure coincidence that he was forced out the line-up at the time Murtaugh was hired.

It just so happened that Murtaugh's appointment and Clemente's injury coincided with a national magazine article in which Clemente puts the rap on his boss.

"Nobody had better years under Murtaugh than me," Clemente said in the story. "But he acted like he didn't appreciate me. Instead of being friendly, he needed me."

When Murtaugh arrived on Tuesday, his first official act was to hold a meeting with the players. He followed that with a private meeting with Clemente in the manager's office.

Neither had anything to say at the time but Wednesday night Clemente said they discussed several matters, mostly pertaining to the club in general.

Dr. Joseph Finegold, the Pirates' team physician, says Clemente will probably be able to return to the line-up tonight or Friday.

## Ecuador Is Beaten on Clay Court

MILWAUKEE, Wis. (AP) — Ecuador's surprising Davis Cup team was on the outside looking in today as the National Clay Court Tennis Tournament reached the quarter-finals.

Francisco Buzman, hampered by a sore shoulder, was a third-round victim of U. S. Davis Cupper Marty Riessen, Evans-ton, Ill., 6-3, 6-2 Wednesday.

Ecuador defeated the U.S. team in the Davis Cup interzone finals last month.

Guzman, 21, joined teammate Miguel Olvera, 28, on the sidelines. Olvera was beaten in the second round Tuesday by top-seeded foreigner Ray Ruffels of Australia.

Top-seeded Arthur Ashe, Richmond, Va., who lost to both Olvera and Guzman in Ecuador, advanced to the quarter-finals with a 6-4, 6-2 victory over Chile's Pat Rodriguez, Cliff Richey, the second-seeded defending champion, also moved up with a 6-2, 6-4 win over Jamie Pressly, New York City.

Top-seeded Mrs. Billie Jean King, Long Beach, Calif., world's ranking women's player, advanced to the quarter-finals with a 6-1, 6-3 win over Marilyn Aschner, Holliswood, N.Y. Cliff's sister, Nancy, seeking a fifth straight singles title, moved up by beating Diane Metzner, West Hempstead, N.Y., 6-1, 6-3. Nancy is seeded second.

## Training Puts Boston in Fight

BALTIMORE (AP) — The surging Boston Red Sox, winners of six in a row, hardly need a goodluck charm. But they have one in Ricky Williams, 10-year-old son of Manager Dick Williams.

Ricky joined the Red Sox for their current road trip, and served as batboy again Wednesday night as Boston whipped the Baltimore Orioles 6-4.

"That's two - for - two for Ricky," the elder Williams said. "But I almost had to take him out. I think he had too many soda pops."

But young Williams remained on duty and finished the game. Then he headed for the locker room for a sandwich — followed by a drink of water, instead of soda.

Manager Williams puts great stock in well-conditioned athletes, and says this has played a major role in converting last year's ninth-place Red Sox into 1967 pennant contenders.

"Our guys reported to spring training close to the weights we prescribed for them," Williams said, "and we got off to a good start."

"This should show in our favor during the hot months. We have youth and conditioning on our side."

## Hornung Is Examined by Doctors

HOUSTON (AP) — Paul Hornung continued to undergo an extensive medical examination today as the former Green Bay halfback seeks reassurance an injury suffered last October will not terminate his football career.

Supervising the tests at Baptist Memorial Hospital was Dr. Henry Withers, an uncle of John Mecom Jr., Hornung's new boss and owner of the New Orleans Saints.

Both Hornung and Withers were optimistic about the outcome but said it would be about two weeks before any decision is made.

The study will be based on comprehensive study of the Houston examination, results of similar tests given earlier at the Mayo Clinic, and results of another examination to be held later at the Scripps Clinic in La Jolla, Calif.

Hornung said the functions of his left arm and shoulder were disturbed after he received a severe tackle in a game last October with the Chicago Bears.

## Long Ball May Win at Denver

DENVER, Colo. (AP) — Accuracy and the long-hit ball appeared to be the keys to success as the 49th PGA National Championship as a field of 146 professionals prepared to swing away in the first round today for the \$150,000 prize money.

Leading the assault over the Columbine Country Club's demanding par 72, 7,436-yard test were golf's current Big Three, Jack Nicklaus, Arnold Palmer and Billy Casper, and the young man who is the defending champion, Al Geiberger.

The field was narrowed to 146 when several candidates, among them Sam Snead, were unable to show up for one reason or another.

Nicklaus, the U.S. Open champion, was generally favored on a course which fits his booming game.

## Frazier Big Factor in Boxing

By BOB GREEN  
NEW YORK (AP) — Unbeaten Joe Frazier passed up the eight-man elimination series aimed at choosing a successor to Cassius Clay, but there's no longer any doubt that he's a man to be reckoned with in the heavyweight picture.

"Let 'em fight, then we'll see," he said of the WBA sanctioned

## Marine to Keep Brother Out of War

LANCASTER, Pa. (AP) — To  
ensure that his younger brother  
won't be sent to fight in the  
Vietnam war, a 21-year-old  
Marine who served there a year  
is on his way back to take his  
place.

Marine Lance Cpl. Larry G.  
Witman of nearby Manheim  
was en route today for Vietnam  
on a trip his brother would have  
taken had Larry not agreed to a  
six-month extension to his en-  
listment.

Gary, 20, is stationed with the  
Marines on Okinawa, where he  
was going through special train-  
ing in preparation for duty in  
Vietnam.

Larry said the government  
will not send the last male heir  
to the family name into the war  
zone in Vietnam.

## Jinx Hovered Over Doomed Airliner

WINSTON-SALEM, N.C. (AP) —  
The Piedmont Airlines 727  
jetliner that collided with a pri-  
vate plane in flight near Hen-  
dersonville Wednesday killing 82  
persons had been involved in a  
previous collision.

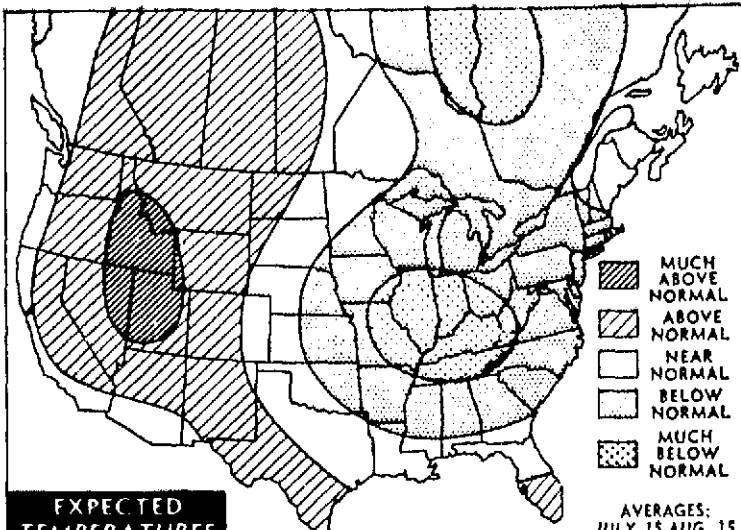

The \$5.5-million Boeing-built  
plane known as the "Manhattan  
Pacemaker" was struck by a  
car May 25 while being towed to  
maintenance facilities across a  
public road from the Smith  
Reynolds Airport at Winston-  
Salem.

The woman driving the car  
was hospitalized, and damage to  
the plane was \$25,000. It was out  
of service a week.

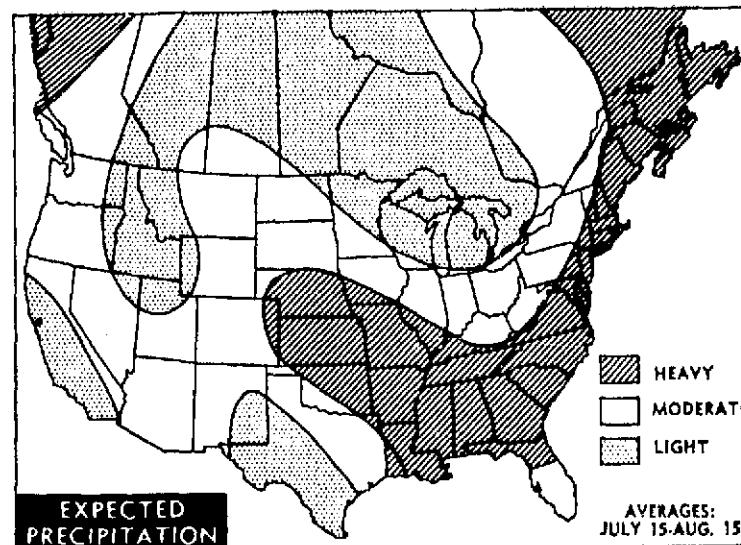

The plane had landing gear  
trouble three times last Friday.  
A pilot's warning light showed  
the nose wheel was not down,  
although observers on the  
ground said it was in place.

cording to the Encyclopaedia

## Summer Story

Half below normal, half above is the temperature out-  
look. Most of the East and Midwest will be cooler than  
usual, while higher readings will prevail in the West.

Precipitation is expected to be heavier than usual from  
the Central Plains through the South and along the  
Atlantic seaboard. The outlook is drier than normal for  
scattered areas.

He was released Wednesday

## Burglary Charge on Ex-Convict

LITTLE ROCK (AP) — Little  
Rock police have filed a bur-  
glary charge on a former Ar-  
kansas convict who several  
months ago filed a petition in  
federal court which led to a set  
of rules governing the use of  
the strap as punishment in the  
prison.

Arrested and charged was  
Winston Talley, 28, of North  
Little Rock along with Thomas  
McGill, 20, also of North Little

The police said they found the  
two men under a truck inside

## Hogan New Key Man in WR Regime

By JOHN R. STARR  
Associated Press Writer  
LITTLE ROCK (AP) — Julian  
Hogan, who carved a com-  
fortable 43-year state govern-  
ment career by avoiding the spot-  
light, stands exposed now as  
the key man in the key agency  
of the Rockefeller Administra-  
tion.

Gov. Winthrop Rockefeller  
appointed the 65-year-old Hogan  
head of the new state Adminis-  
tration Department Wednesday.  
Rockefeller has called the de-  
partment the cornerstone in his  
effort to build an Era of Ex-  
cellence in Arkansas. He is  
turning it over to a man who  
has become known through the  
years as the No. 1 expert on  
state fiscal affairs in Arkansas.

The temptation to head an  
agency which he tried to get  
the legislature to create in 1953  
apparently squelched Hogan's  
determination to avoid plac-  
ing his career in jeopardy by tak-  
ing a political appointment as  
a department head.

A succession of Democratic  
governors tried unsuccessfully  
to get him to put himself on  
the spot. Rockefeller, a Repub-  
lican, succeeded. He had ex-  
pressed confidence in Hogan by  
keeping him as budget direc-  
tor through the first six months  
of the administration.

Hogan's ability to get along  
with people, which virtually as-  
sures that he will work easily  
with Clarence M. "Mike" Frost  
of Detroit, probably was a fac-  
tor in his appointment.

Frost, a banker, will be a full-  
time consultant to the Adminis-  
tration Department. Rockefeller  
wanted him for the top job,  
but he declined the appointment  
because there was a question  
about his eligibility since he is  
not a resident of Arkansas.

Tom Elisele, a Rockefeller  
aide who headed the depart-  
ment on a temporary appoint-  
ment for the first three weeks,  
said Hogan was influential in  
the administration's fight to get  
the legislature to create the de-  
partment. The House defeated  
the Administration Department  
bill on the initial vote.

Hogan is almost as much of  
a capitol fixture as the front  
steps. He went to work for the  
state in 1922 as a budget clerk.  
Comptroller Griffin Smith  
named him budget director in  
1933.

Hogan was acting comptroller  
in 1959 and Gov. Orval E. Fau-  
bus reportedly urged him to  
take the top job. He declined  
and served for the last eight  
years assistant to Comptroller  
L. A. Mashburn.

The comptroller's office is the  
major agency being absorbed  
into the Administration Depart-  
ment.

For years Hogan has been  
the man that governors, legis-  
latures and state agency heads  
have called on when they have  
problems.

He has carried the main load  
of preparing and explaining  
agency budgets for the Legisla-  
tive Council. His wife, Marie,  
is on the council staff.

The Hogans have a son, Jack,  
who is on the public relations  
staff at Florida State Univer-  
sity, and two daughters, Mrs.  
Judy Miller of Houston, Tex.,  
and Mrs. Jacques Gunn of Bee-  
be.

Hogan is a native of Bates-  
ville. He attended Conway pub-  
lic schools and the University  
of Arkansas.

## Candidate Not Eligible to Sing

BALTIMORE, Md. (AP) —  
John D. Alexander Jr. has been  
denied permission to sing with  
the city band at a concert  
Thursday.

Alexander, a candidate for  
City Council, wanted to sing,  
"Baltimore, Our Baltimore."  
Stefanie Sodaro, city superin-  
tendent of music, turned down  
the request, saying she would  
have to give equal time to all  
other singing candidates.

## Didn't Know His Right to Get Lawyer

TUCKER PRISON FARM,  
Ark. (AP) — A Tucker Prison  
Farm escapee who returned  
recently from Baker, Ore., said  
Wednesday that before he es-  
caped from Tucker he didn't  
even know he could obtain a  
lawyer at the court's expense.  
James Edward Stephens, 22,  
of Blytheville, made the com-  
ment. He and Don Calvin  
Smith, 17, of Corning, recently  
returned from Baker. Stephens,  
Smith, Richard Emory, 38, and  
Jimmie Pike, 36, escaped in  
January and were arrested in  
Baker.

All four recently waived ex-  
tradition and said they would  
return to Arkansas. Emory and  
Pike are expected to arrive at  
Tucker sometime today.

Both Stephens and Smith said  
they learned of court-paid at-  
torneys and constitutional  
rights after they were arrested  
in Oregon. Smith said he didn't  
have legal counsel on a robbery  
charge although he pleaded  
guilty to a sodomy charge.  
Stephens said that, although he  
didn't have a lawyer he had  
pleaded guilty to a robbery  
charge.

Stephens said Gov. Winthrop  
Rockefeller had promised the  
escapees would be allowed to  
pick a member of the Arkan-  
sas Bar Association to rep-  
resent them.

## River and Dam Jobs Get Funds

WASHINGTON (AP) — The

tee approved today funds for

Engineers and the Reclamation

ed last July 1.

Funds were contained in a  
\$4.6 billion Public Works Ap-  
propriations Bill, carrying funds  
also for the Atomic Energy

356,000 for the Reclamation Bu-  
reau. These represented reduc-  
tions of \$45,840,000 and \$1,191,

## Raney Loses Out at San Antonio

SAN ANTONIO, Tex. (AP) —  
Ron Schmiedemann of Manhat-  
tan, Kan., eliminated Tom Ra-  
ney of Little Rock, Ark., 2 up,  
Wednesday in the first round of  
the Trans-Mississippi Golf Tour-  
nament.

## Teller Foils Robbery at St. Louis

ST. LOUIS, Mo. (AP) — Irene  
Fleming said she "just didn't  
want to put that money in the  
brown bag" a gunman was  
holding, so she made him wait  
while she served two other bank  
customers.

"I wasn't calm by any  
means," said Mrs. Fleming, 50.  
A man approached her walk-in  
window Wednesday and said he  
wanted to make a withdrawal.  
He pointed a gun at her and told  
her to put the money into a  
paper bag he was holding.

She told him to fill out a with-  
drawal slip.  
Mrs. Fleming then rushed  
across the room and waited on  
two customers at the bank's  
drive-in window. As she waited  
on the second customer she  
pushed an alarm button which  
set off an automatic camera  
and sent the gunman and a  
companion scurrying.

## Coppolino Loses U.S. Appeal

LAKELAND, Fla. (AP) —  
The 2nd District Court of Ap-  
peals has turned down a plea  
from Dr. Carl Coppolino to re-  
view a lower court order which  
denied him freedom on bond.

Coppolino was convicted last  
April of murdering his wife,  
Carmela, 32, by injecting her  
with a muscle relaxing drug  
which caused her to suffocate  
while conscious.

He is in the state prison at  
Raiford.

## Korea Border Fight Leaves 3 Dead

SEOUL, South Korea (AP) — At least two North Koreans and a South Korean sentinel were killed early today in three North Korean attacks across the armistice line, the South Korean army reported. Four South Koreans were wounded, the army said.

Two of the attacks were made on a South Korean infantry division on the west-central front about 40 miles north of Seoul and just east of the U.S. 2nd Infantry Division's sector.

The third attack was made on another South Korean unit on the central front about 60 miles northeast of Seoul.

A spokesman said in each attack the Communists crossed the demilitarized zone, threw grenades and fired automatic weapons. He said quick counterattacks by sentinels drove off the intruders and the South Koreans found two North Korean bodies in a search.

Eight border clashes have been reported since Sunday, including an attack early Sunday which killed three Ameri-

Fultonese  
Exit Britain;  
Enter U.S.A.

Brooks Shults relays this one from Fulton:

A Negro customer approached the clerk at the general store and said:

"Lady, I would like to buy a pair of one-day shoes."

The clerk looked blank, and said, "I don't believe I ever heard of 'one-day shoes.' What kind of shoes would they be?"

"Not six-day shoes," replied the customer—"but the kind you wear on Sunday . . ."

The headline informs you Great Britain is pulling her troops out of the Far East in the wake of her vanished empire, and experts say this is bad news for America.

I'll spell that out for you. All down through history there has been some one "strongman" among nations with whose reputation and glory is coupled the tedious obligation of policing all the small fights that are forever troubling the world. In the days of our youth this policing nation was Great Britain. But now her empire is gone, and gone with it is the obligation to put down minor wars and maintain law and order in the name of international commerce.

Britain's unhappy successor in this doubtful job is our United States, with an assist (or hindrance) from Soviet Russia. The job isn't our choice, but we have no choice—the others have walked off and left the job with us. We can't simply pack up and come home. That would leave what the historians call a "power vacuum"—into which Russia or China might move.

Besides, we have already sacrificed lives and treasure to man our outposts in the Western Pacific, to protect Australia, and to keep the lines of free commerce open to the Orient.

A withdrawal would only build up enemy bases in areas we now control and sooner or later bring the threat of war close to our mainland. If trouble somewhere in the world is inevitable—and it is—then it's better to fight on a distant shore than to invite it home.

This is the Hobson's choice that has always confronted the No. 1 world power—once Rome, then Spain, then France, lately Great Britain, and now, unhappily, our own U.S.A.

## Driver Meet Ends 2-Day Session

The National Defense Driver Improvement Course was completed Tuesday night after four two hour sessions of lecture and films at Town and Country Restaurant.

The course was sponsored by M & M Leasing Company, Inc. and Moutaire Poultry Company, Inc. for the improvement of their drivers. Other company drivers were invited, and several Cornbelt drivers attended.

Sgt. Dean Friend and Trooper Ray Davis of the Arkansas State Police presented the course to the drivers and company officials.

The last meeting was climaxed by nine (9) Moutaire Poultry Company feed truck drivers receiving safe driving awards ranging in time from one to seven years without an accident.

## U.S. - Soviet Parley Held on Mideast

By WILLIAM N. OATIS  
UNITED NATIONS, N.Y. (AP) — The Soviet Union and the United States made a last-minute attempt to reach agreement on U.N. action in the Middle East situation but there was nothing to indicate they had succeeded, informants reported today.

The emergency session of the General Assembly was scheduled to round up its current round of Middle East debate today with a resolution sending the unresolved problem of Arab-Israeli peace back to the Security Council.

Soviet Foreign Minister Andrei A. Gromyko met with U.S. Ambassador Arthur J. Goldberg late Wednesday at the Soviet Union mission.

## Race Riots Break Out in Minneapolis

By THE ASSOCIATED PRESS  
Violence broke out on the predominantly Negro North Side of Minneapolis, Minn., early today. Several persons were injured and some arrests were made.

Firemen battling several fires were pelted with bricks and rocks as riot police, some armed with automatic rifles, moved in to stop the violence. Authorities said apparently some of the fires were set.

Meanwhile, racial situations in Erie, Pa., and Cairo, Ill., were quiet today under the terms of truces agreed to by leaders of Negroes seeking better economic and social standards.

Mayor Louis J. Tullio of Erie, third largest city in Pennsylvania, promised more jobs and recreational facilities in gaining the truce.

There was one shooting Wednesday night in Erie but it could not be determined immediately whether there was any racial connection.

Henry Williams, 23, a Negro, was shot following an argument at a restaurant, police said. He died in a hospital early today.

A temporary truce was being observed in Cairo Ill., by young Negroes who live in a housing project where snipers' activities and firebombing have broken out twice recently.

Demands for economic and social reform were being prepared for Mayor Lee Stenzel and city commissioners by representatives of the young Negroes.

In Durham, N.C., Wednesday night, a rock-throwing, window-breaking melee climaxed a march by some 150 Negroes and a few whites. The marchers met at a church in a Negro section to organize a committee to speak for the neighborhood in requesting improvements by the city.

Just what touched off the disturbance was not learned.

In other trouble spots, state police and National Guardsmen searched house by house for weapons in a Plainfield, N.J., Negro neighborhood; seven victims of bloody riots in Newark, N.J., were buried on the eve of a national black power conference; and Negro leaders told California Gov. Ronald Reagan that finding jobs for idle Negroes is the key to holding down racial tension.

In Washington, the House passed a bill aimed at roving agitators who touch off street violence, making it a crime to cross a state line with the intent of starting a riot.

## Things That Dad Is Tired of Hearing at Home: List Is Long

By HAL BOYLE  
NEW YORK (AP) — Remarks by and about their offspring that modern parents get tired of hearing:

"Nobody is going to tell me what to do."

"Ellen's parents gave her a phone of her own for her birthday. Why can't I have one, too? After all, I'm 13."

"If I get one more pimple, I'll kill myself. No boy wants to take a girl to the school dance when her face looks like she has broken out with the plague."

"Shall I show daddy my report card now, mama, or wait until after he has had a couple of martinis?"

"What did you do at the office today, pops? At school we cut up a frog—or shouldn't I talk about that at the dinner table?"

"Don't even bother to take off your coat, dear. We're going out to dinner. I don't care where, just so it is out. The kids have given me so much trouble today that if I don't get out of here, I'll lose my mind."

"One minute you tell me to act grown-up, and the next minute you treat me like I was still a child."

"Jack's dad bought him a motorcycle for his birthday. Why can't I have one?"

"I don't see why it's so important whether I get good grades in school or not. Everybody

## Anti-Riot Bill Faces Senate Test

By JOHN BECKLER  
WASHINGTON (AP) — An anti-riot bill that won overwhelming House approval Wednesday night may become the vehicle for civil rights legislation when it reaches the Senate floor.

The bill, which would make it a federal crime to travel across state lines with the intent of starting a riot, has been condemned by civil rights groups as an anti-Negro measure.

They are expected to try to get pro-civil rights senators to offer amendments to the riot bill at least part of the civil rights package that died in the Senate last year.

In the House, where stricter rules prevented such amendments from being offered, the bill sailed through 347 to 70.

The vote against the bill was larger than expected. Last year a similar measure was approved 388 to 25, but died in the

## Hot Weather Returns to Arkansas

By THE ASSOCIATED PRESS  
All of Arkansas continued a warming temperature trend yesterday with 90-degree readings recorded at several points. With no strong pressure systems directing our weather at present, we may expect little change in the current pattern.

Low readings this morning were, once again, mostly below normal. Readings ranged from 59 degrees at Fayetteville to 70 at El Dorado.

Skies over the state this morning were mostly clear with the exception of some localized low cloudiness and drizzle at a few southern points. A patchy ground fog was noted at a number of reporting points in North Arkansas.

It was expected that a few more stations would reach the 90s today and a few mostly afternoon and evening showers will continue to be noted. Some minor increase in shower probabilities for a specific area may be anticipated.

Only a few stations reported light showers yesterday evening. Amounts of moisture reported were less than one tenth of an inch.

## Conway Pair Held for Bank Robbery

CONWAY, Ark. (AP) — Two Conway men were arrested Wednesday by the FBI in connection with a federal indictment charging them and three other persons with conspiracy to burglarize two banks in Mississippi.

The indictment was returned at Clarksdale, Miss. The men were identified as Loren Lee Brooks, 42, and Billie Shoemaker, 33.

Authorities said more than \$300,000 was taken in the burglary of the West, Miss., branch of the Holmes County Bank and Trust Co., and that more than \$33,000 was taken in the burglary of the Peoples Bank and Trust Co. at Shannon, Miss.

Brooks and Shoemaker were arraigned before U. S. Commissioner John E. Colates and committed to the Pulaski County Jail in lieu of \$50,000 bond each.

## 2 State Senators Pensioned Off

LITTLE ROCK (AP) — The state Employees Retirement System Board Wednesday retired two former senators and 17 other veteran public employees.

Ernest A. Nicholson of Harrison, who served in the Senate from 1947 until 1952, and Oliver R. Williams of Sheridan, who served in the legislature from 1945 until 1962, were retired. Each received the \$110 a month pension allowed eligible former legislators.

## Medicare Tax Increase Is Planned

WASHINGTON (AP) — The House Ways and Means Committee plans to push for a hike in the payroll tax for medicare to meet skyrocketing increases in hospital and medical costs.

That's the word from congressional sources, who indicated Wednesday government estimates of hikes in such costs were off better than 100 per cent.

The committee originally believed President Johnson's plan to extend medicare to the disabled as well as aged could be accomplished by upping the taxable base of an individual's income from \$6,600 to \$7,800.

But sources said the panel has found that hospital charges, expected to jump about 7 per cent a year, instead are climbing at a 15 per cent rate.

Sources said the panel informally has decided on a Social Security tax boost equivalent of four-tenths of one per cent on the tax base of \$7,800, half paid by the employer, half by the employee.

Other planned increases in taxes — to expand Social Security coverage and benefits — could cause a jump of more than \$100 a year from employees earning \$7,800 or more, it's estimated.

## This Queen Not Hop on Hippies

LOS ANGELES (AP) — Kate Beyerle, crowned as queen of the Good Old Summertime Fair, is pert and modern but admits she's not hep on one movement.

Does she like hippies and love-ins? someone asked after she was crowned Wednesday.

"I don't believe I've heard them on the radio yet," replied Mrs. Beyerle, who is 95 years old.

## British Exit in Orient No Help to U.S.

By JAMES MARLOW  
AP News Analyst  
WASHINGTON (AP) — Secretary of State Dean Rusk raised the lid just enough for a brief look inside a box of dynamite—Red China of the future—a subject which seems to be getting scant public attention.

Yet, it will haunt this country, probably for generations.

In the midst of one of his infrequent news conferences he warned Red China and Asian Communists generally against "taking any comfort" from Britain's decision to withdraw militarily from the Far East by the mid-1970s.

Countries in that area, he said, are bent on defending their freedom. And he said they have the help of various nations, including the United States. "We'll get on with the job," he added.

He didn't explain how this country—after its experience in Vietnam—would help other Asian countries against aggression. Would it mean possibly the involvement of the United States for generations?

That there is critical trouble ahead with Red China seems certain.

At the moment it has stayed out of the Vietnam war perhaps for one of several reasons, some of them cynical.

It has been having enough internal trouble to keep it busy for a while without getting into a war with the United States.

If there is one thing clear from China's present internal disquiet, it is that Mao Tse-tung wants above everything for his idea of communism to be the dominant force in his country not only now but long after his death.

The uncertainties of a war with the United States might force changes which, if he only had time to establish his own ideas more firmly, could not occur.

Further, the Red Chinese have been concentrating for years on developing hydrogen bombs and missiles. They have had phenomenal success so far with the bomb development. A war might wreck the whole project.

But the last thing the Red Chinese have to worry about is being in a hurry to communicate or dominate their neighbors. Those neighbors will be there a long time.

When China has the bomb fully developed, and the missiles to carry it, the balance of power in Asia will change, and perhaps change in the world. Therefore, it can afford cynically to sit idly by while the Vietnamese war goes on.

Suppose the North Vietnamese are forced to withdraw by the American forces. And, suppose further, with American help South Vietnam then creates a non-Communist, democratic government.

This could last for some years. See British Exit (on page two)

## 5 Towns Given Water Grants

WASHINGTON (AP) — Sen. J. W. Fulbright, D-Ark., said Wednesday the Farmers Home Administration has approved a total of \$668,710 in loans and grants to five towns in Arkansas. The funds are to be used for development of water systems.

The towns and the amounts are: London (Pope County), \$105,500 loan and \$70,000 grant; Hector (Pope County), \$98,500 loan and \$37,000 grant; Wooster (Faulkner County), \$49,500 loan and \$49,100 grant; and Amagon (Jackson County), \$45,000 loan and \$41,170 grant.

## Resurfacing of Third St. Is to Begin

The Arkansas State Highway Department will begin resurfacing 3rd Street—Highway 67—from Louisiana to Shover Street Monday morning, July 24, according to R.H. (Bob) Mattox, district engineer.

The highway department will remove some of the old asphalt surface by planing the surface. This will remove some of the old asphalt and prevent a build-up such as that found on South Main and North Hervey. Mr. Mattox said that they would work one side of the street at a time in order to keep traffic moving on highway 67 while work is in progress. All parking will be removed from the street and every effort made to keep traffic moving, Mr. Mattox said.

The highway department is installing "No Parking" signs in the area and the City will remove parking meters Saturday afternoon. To avoid confusion, the "No Parking" signs will be covered until the meters are removed. Upon completion of this work, left turn lanes will be provided as outlined in a plan presented by the highway department several months ago. It is believed the left turn lanes will be of great benefit to both the local and through traffic. Mr. Mattox said the job would take about two weeks, since quite a lot of old material would have to be removed before the resurfacing begins. This job had been postponed for several weeks in order to have the asphalt resurfacing material ready for immediate use after the planing is completed. This work will put this street in better condition than it has been in several years.

The American paratroops acted on an intelligence tip to surprise the Communists at the jungle prison camp in Quang Ngai Province, in the northern 1st Corps area.

The Americans from the 101st Airborne Division's 1st Brigade hacked their way through the jungle Wednesday and opened up on the guards around the camp who fled. The GIs plunged through the 10-foot bamboo wall, across a trench booby-trapped with sharp punji stakes and into the small clearing of bamboo huts.

They found a dozen men shackled in leg stocks and all the prisoners weak from hunger.

Helicopters took the prisoners to the paratroopers' base hospital for treatment and questioning. American and South Vietnamese troops rarely find Communist prison camps and information concerning them is highly valued.

## Jury Chosen in Warren Murder Case

WARREN, Ark. (AP) — A jury of 11 men and one woman was selected Wednesday for the first-degree murder trial of James Ray Ederington, 16, of near Banks. About 50 jury panelists were questioned before the jury was selected.

Ederington is accused of the fatal shooting of James Henry Maroney Jr., 39, a Bradley County farmer. The shooting occurred March 30 at Maroney's home and Ederington was arrested May 6.

## McMath for Invasion of N. Vietnam

MOUNTAIN HOME, Ark. (AP) — Former Gov. Sid McMath said Wednesday the United States should be prepared, if necessary, "to make a landing in North Vietnam, just above the demilitarized zone."

He told a Bull Shoals-Lakeview civic club he felt that a maritime quarantine should be put in effect if the U.S. cannot, through negotiations, stop the Soviet Union and other nations from getting supplies to Hanoi.

McMath, a Maj. Gen. in the Marine Corps Reserve, said the United States "cannot win this war unless we use some means of drying up the supplies."

2 Clubs at L.R. Are Padlocked

LITTLE ROCK (AP) — Authorities padlocked the Sweet Home Club and Club SaFarr here Wednesday in accordance with an order issued by Circuit Judge William J. Kirby.

The clubs were raided early Sunday morning by vice squad officers. Officers said they arrested four persons in the raid and confiscated 90 cases of beer and 38 half-pints of whisky.

## U.S. Ambush Wipes Out 150 Cong

By GEORGE MCARTHUR  
SAIGON (AP) — Ten South Korean Marines ambushed about 150 Viet Cong in the jungle Wednesday night, killed 32 of the Communists and took four prisoners, Korean headquarters reported today.

The brief but successful ambush in coastal Quang Ngai Province was the heaviest ground fighting reported, but a company of American paratroopers located a Red prison camp in the jungle and freed 22 emaciated Vietnamese captives, including three women. There was no sign of any Americans in the bamboo stockade.

The Korean Marines caught the Viet Cong company moving inland through the jungle about eight miles north of Quang Ngai City. The Korean squad was strung out along the trail and opened up with machine guns and a rain of grenades and mortars.

The fight lasted only a few minutes before the Communist troops plunged back into the jungle, leaving 22 weapons behind in addition to their dead and captured. The Koreans suffered no casualties, their headquarters reported.

The U.S. Command reported a comparative lull in the ground war for the 10th consecutive day and a decline in the number of Americans killed last week. The command said 175 Americans were killed, 1,443 wounded and 38 missing, compared with 282 killed, 1,170 wounded and one missing the week before.

Despite the lull in ground fighting, the air war against North Vietnam continued unabated with new raids on Hanoi's rail lines to Red China and oil dumps and other supply targets up and down the coast.

## Toffee Ice Cream Roll Is Tasty Surprise

Every woman wants a few "spectacular" dessert recipes in her file box for family special occasions or guest entertaining. Here's a show-off Toffee Ice Cream Roll delight that will have your friends exclaiming, "You mean you made it yourself?"

Get out your jelly roll pan and try this new cake roll creation with a taste surprise. . . It's candy! Mixed into the filling of softened ice cream are crunchy bits of chocolate-covered English toffee candy, chopped pieces of the famous candy bars found everywhere. More bits of the candy sprinkled over a dollop of whipped cream make a glamorous topping for each cake roll slice.

Prepare the Toffee Ice Cream Roll the night before, or morning of, your party so that the ice cream becomes firm again. Chill the candy bars and you'll find them easy to chop into bits with a large sharp knife.

### TOFFEE ICE CREAM ROLL

- |                              |  |
|------------------------------|--|
| 3/4 Cup Sifted Flour         | 1/2 Cup Granulated Sugar                 |
| 2 Tablespoons Instant Coffee | Confectioners' Sugar                     |
| 1 Teaspoon Baking Powder     | 1 Quart Vanilla Ice Cream, Softened      |
| 1/4 Teaspoon Salt            | 1 Cup Chopped Heath Chocolate - covered  |
| 4 Eggs, Separated            | English Toffee Bars                      |
| 1 Teaspoon Vanilla           | 1/2 Pint (1 Cup) Whipping cream, Whipped |

Sift together flour, coffee, baking powder and salt. Beat egg yolks and vanilla until lemon colored. Add 1/4 cup sugar gradually and beat until very thick. Beat egg whites until they hold soft peaks. Add remaining 1/2 cup sugar gradually and continue beating until stiff and glossy. Fold yolk mixture into egg whites. Fold in dry ingredients. Spread batter evenly over greased and waxed paper-lined jelly roll pan (15x10x1-inch).

Bake in 375 F degree oven until done, about 12 minutes. Turn cake out onto clean linen dish towel sprinkled with confectioners' sugar. Gently peel off waxed paper at once and trim off the lengthwise crusts. Roll cake jelly-roll fashion in towel; cook on rack. Unroll cake; spread with ice cream and sprinkle with two-thirds cup chopped toffee bars. Roll up tightly, wrap in foil and store in freezer until serving time. To serve, slice and top with a dollop of whipped cream and a sprinkling of remaining chopped toffee bars for each slice. Yield 8 to 10 servings.

## New Sound But Subject Is Old One

By MARY CAMPBELL  
NEW YORK (AP) — Modern opera usually sounds just that—modern, its atonality hurting ears attuned to "La Boheme." Despite its sound, however, modern opera usually is old-fashioned in subject matter.

For instance, the Metropolitan Opera gave two world premieres this past season, one about Cleopatra, the other the Greek Electra story as reset in New England by playwright Eugene O'Neill.

The Boston Opera premiered an opera about Moses, and the Washington Opera one about

the 16th century Count Bomarzo.

But in Germany the Hamburg State Opera commissioned an opera for last season from New York-born Gunther Schuller and he went present-day all the way. He wrote modern serial music mixed with cool, antiseptic jazz and his own libretto, making his protagonist a Negro in the American South, and using Franz Kafka's plot of "The Trial."

They loved it in Hamburg at its world premiere last fall, bestowing 51 curtain calls. But at this summer's American premiere by the visiting Hamburg company, the boos were louder than the cheers. The San Francisco Opera will do the work, titled "The Visitation," in the fall.

opera sounded exciting to critics in Hamburg; amateurish to critics in New York. But weighing heavier than the music seemed to be how "The Visitation" came across as theater. It was obviously more effective in Hamburg.

In New York, where plays about Negro-white relationships abound and Kafka doesn't, "The Visitation" was viewed as a attempt to show race hatred, and it was derided as naive.

YELLVILLE, Ark. (AP) — Marlon County Judge Gene Tolliver said Tuesday Marlon County would no longer participate in a four-county program designed to co-ordinate antipov-erty projects.

The program, Van-Se-Boo-M, represents Van Buren, Searcy, Boone and Marlon counties and has been in operation about a year. "It's costing the taxpayers \$10 to put \$1 where it's needed," said Tolliver.

Victims of Burns

Before the availability of plasma and whole blood for the treatment of shock—between 1940 and 1943—almost every patient with a 30 per cent area of burns died.

NAS, Divorced From CIA, in Difficulty

By HARRY ROSENTHAL WASHINGTON (AP) — The National Student Association, which huffily divorced the Central Intelligence Agency in February, is having typical marital estrangement difficulties: Who gets the house and who pays the bills?

Both sides were embarrassed when the student-CIA tie was disclosed by former NSA officers. The NSA got brickbats from its members for accepting money from a government agency that spies and influences; the CIA blushed like an undercover agent who drops his badge at a Mafia meeting.

But the student association still has its national headquarters in two expensive interconnected townhouses, and it is paying nothing for them under an agreement with the Independence Foundation of Boston.

The foundation, the NSA president says, is a CIA conduit, or way to pass things like money without revealing the real source.

W. Eugene Groves, president of the NSA, says the foundation is not trying to collect rent. It simply wants to be rid of its tenant. The students want to keep their headquarters, but they don't want the CIA to pay for it.

WIN AT BRIDGE

Winners Must Think Early By Oswald & James Jacoby Newspaper Enterprise Assn.

Strangely enough the best way to save time at the bridge table is to stop to think. This isn't a paradox. It merely means that you should do your thinking early and get it over. Then you can play the rest of the hand quickly.

South reversed this procedure. There was no reason to think about the first trick. South had to follow suit.

West continued with the queen of clubs and once more South didn't stop to think. He played the king from dummy. East ruffed and returned the queen of hearts and all of a sudden South had a problem. Two tricks were gone where the woodbine twined and there were potential losers in each red suit.

South thought awhile. Then he thought some more. Then he pondered. Then he communed with nature. Then he cogitated. Then he decided to

duck in both hands. East led a second heart. This time South won in dummy.

Then he studied the hand. Then he looked at the ceiling. Then he played a couple of rounds of trumps. Then he looked at the previous trick. Then he played a heart to his ace. Hearts failed to break and he finally gave up. The last heart could be ruffed in dummy but the defenders had three tricks and were going to get a diamond trick eventually.

Look how much time South could have saved if he had done his thinking early and let West's queen of clubs hold the second trick. West would continue with the jack of clubs. South would play low from dummy again and ruff in his own hand. Then he would proceed to make his contract with no fuss at all.
